

2023 Deerfield Wreath Walk Guide

The following is a guide to wreaths that volunteers made to decorate the doors of Deerfield. This guide follows the wreaths on the street using a numbered system—please refer to the map included at the end of the guide for locations.

Materials for the wreaths were obtained from Kingsbury Christmas Trees and Clarkdale Fruit Farm. Staff and volunteers supplemented with locally-collected natural decorations. Wreath makers also reused saved decorations from previous years.

Locations include private homes and side & accessible doors. To assist in finding the private houses, street addresses are included.

SCAVENGER HUNT: Each door has a “mystery item” that corresponds to an item on the scavenger hunt list included with the pamphlet. The items on the list may appear as the mystery item on more than one wreath. We encourage to seek the items. When you find 15 or more items, turn your sheet into the Museum Store or the Deerfield Inn for a discount until December 21. For full details, refer to the Scavenger Hunt Sheet.
